## 2025 Membership Application

*Please complete form in full even if you have completed in past*

### **Pontiac Country Club, Inc. Golfing Rules & Regulations**

1. All Membership DUES are PAYABLE in FULL before any golfing will be allowed for the season.
2. Members from the previous season have the right to reserve a renewal of their membership with a deposit of \$300 payable by November 1 of that season. If a member does not make a deposit and does not renew their membership with payment in full by April 15 of the following season, that membership space may be released to someone from our waiting list until we have reached our maximum capacity of 100 members.
3. JUNIOR golfers are defined as young adults who are in high school and aged 18 or younger. They cannot play in leagues or have weekend starting times.
4. All golfers, including members, must register with the starter or in the Pro Shop before playing (this may include making a tee time for play).
5. All golfers must start on hole #1 unless permission has been granted to start elsewhere by the starter. Holes must be played in their intended order.
6. Golfers must REPAIR their ball marks on the greens and REPLACE their divots or turf in the fairways.
7. Respectable attire must be worn at all times.
8. Any music played on course should be audible only in the area within 5 feet of your person. If music is heard by any other golfers, you are in violation of etiquette/rules.
9. NO FIVESOMES ARE ALLOWED AT ANY TIME. This rule is universal and applies to all golfers regardless of skill level.
10. Only two riders are allowed on a golf cart at any time. No group will be allowed to have 2 carts with only one golfer on each cart unless they pay extra.
11. Only licensed drivers may use golf carts.
12. Practicing can take place only in the practice area/golf range. Maximum hitting distance on the range is 200 yards. The range is not guaranteed to be open as it is often closed due to weather conditions.
13. All alcoholic beverages and food that are consumed on our property must be purchased from our "licensed" facilities. It is against State Liquor Laws to bring alcoholic beverages to the golf course to be consumed inside or outside.
14. All golfers should play each nine holes in less than 2 hours, 10 min. Your proper position on the course is defined by your relationship to the group ahead of you, not by your relationship to the group behind you. (See course pace of play policy)
15. Golfers should obey all the RULES OF GOLF ETIQUETTE so the game can be enjoyed by all golfers.
